

## Recommended Books

- BIRDS OF AFRICA – South of the Sahara

Ian Sinclair and Peter Ryan

Struik Publishers

*This is my favorite book as it has the birds in all the African countries I travel to.*

- THE KINGDON FIELD GUIDE TO AFRICAN MAMMALS

by Jonathan Kingdon

*Excellent guide to the mammals of Africa*

- \*WILDLIFE OF EAST AFRICA

Princeton Pocket Guide -Martin Withers and David Hosking

It is very small , inexpensive (\$14.00) and fairly comprehensive having a little bit of everything. Can order from Amazon. com.

*If you want to bring just one small book this is the one to bring.*

- \*NATIONAL AUDUBON SOCIETY FIELD GUIDE TO AFRICAN WILDLIFE

Audubon Field guide series

This is readily available from most book stores and is a good all around guide that has the most common reptiles, birds and mammals (of all Africa, not just Kenya).

*A little larger than the one above, but is more complete.*

BIRDS OF KENYA AND NORTHERN TANZANIA

Helm Field guides

by Zimmerman, Turner and Pearson

*The best bird book for East Africa*

THE SAFARI COMPANION

A guide to watching African Mammals

by Richard Estes

*Highly detailed and fascinating insight into the behavior of the animals*
